

Southern Cross Gliding Club Inc. (Club)

Statement of Towing Vehicle Capacity and Acknowledgement by Member

I .....(name) state that my vehicle to be used for towing club gliders is as follows:

Towing Vehicle Registration No.

Towing Vehicle Make, model and year of manufacture

Towing Capacity as per vehicle owner's manual – braked trailer

Towing Capacity as per vehicle owner's manual – unbraked trailer

Maximum towbar ball weight as per vehicle owner's manual

Towbar Towing Capacity as per towbar placard

Maximum towbar ball or tongue weight as per towbar placard

Towball capacity as stamped on towball

I declare that the above information is complete and accurate and that, before towing any Southern Cross glider/trailer combination I will ensure that:

1. the above vehicle/towbar combination has sufficient capacity to undertake the tow in compliance with relevant laws regulating the towing of trailers; and
2. I have received a full briefing on towing glider trailers and have had my logbook endorsed accordingly.

I acknowledge that I have read and understood the Club's Towing of Gliders Guide version 2011 as amended (TOG Guide) displayed on the Club website and agree to observe its requirements.

I understand that in the event of an accident, non-compliance with relevant laws may lead to insurance coverage being denied leaving me personally liable for all loss and damage.

I understand that providing inaccurate information in this application or failing to comply with the TOG Guide may render me liable to fully compensate the Club for damage to Club property under Club Rules.

Signed:
